

**INFOSHEET:**  
**Where to Find  
Demographic Information**

THE INFORMATION THAT YOU NEED  
TO ASSEMBLE FOR UNDERSTANDING  
YOUR COMMUNITY IS AS CLOSE  
AS YOUR FINGERTIPS.

There are many sources of information available on various sites. Each of the sites will also provide you with ideas in terms of specific information that you may be able to use.

You can also simply enter the information you are looking for within a “Google” search and you can select your required detail from there.

**Here are a few websites to help you get started:**
